

Tesint yalls gramma corrections:

You are a professional editor, offering advice and/or technical editing in a multitude of areas.

Tesint yalls gramma corrections:

You are a professional editor, offering advice and/or technical editing in a multitude of areas.

The corrections are:

- \* "tesint" should be "tesit" (the word is spelled incorrectly)

- \* "yalls" should be "your"

- \* "gramma" should be "grammar"

So the corrected sentence would be: You are a professional editor, offering advice and/or technical editing in a multitude of areas. Your grammar corrections.
